

The 55th Chubu Nippon Figure Skating Competition and The Chunichi Cup

February 28 to March 3, 2019

First Information

About The CHUNICHI Cup

The CHUNICHI Cup has been organized more than 50 years ago for the purpose of the development and promotion of the regional figure skaters by the Regional Skating Associations and the Chunichi Shinbun (daily newspaper company).

Through this competition, the Chubu Nippon (central Japan) area became the powerhouse of Figure Skating in Japan.

We have many top skaters both domestically and internationally, such as Midori ITO, Mao ASADA, Shoma UNO and others.

Useful information

- Language** The official language is JAPANESE.
- However, most Japanese people can understand simple English words.
- Time Zone** Time zone for Japan is 9 hours ahead of Greenwich Mean Time. (GMT+9:00)
- No DST in Japan.
- Currency** The National currency is the Japanese Yen (JPY).
- Cash is accepted everywhere, and it is usually no problem to use large bills to pay for small items, except at small street vendors.
- Japanese yen can be withdrawn from foreign bank accounts through ATMs found at post offices and 7-11 convenience stores.
- ATM marked with a Plus symbol accept automated banking cards from outside of Japan.
- Although not as universally accepted as cash, credit cards can be used at more and more places, especially major retail stores, electronics shops and department stores. Visa, Mastercard, JCB, American Express and Union Pay are among the most widely accepted types of cards. Travelers checks, on the other hand, are not widely accepted except at major department stores and electronics shops that regularly cater to foreign customers.
- Banks:** Open from 9:00 to 15:00 (Monday - Friday)
- Electricity** The voltage in Toyohashi is 100 Volt/60Hz, which is different from North America (120V), Central Europe (230V) and most other regions of the world. Japanese electrical plugs have two, non-polarized pins(A type).
